

You must complete this worksheet because you reported on your 2017-2018 FAFSA that you had a conviction for possessing or selling illegal drugs or because you left question 23 blank.

Complete this worksheet to determine if you are eligible for Federal Title IV financial aid. Below are the possible eligibility outcomes:

"1" means your eligibility for Federal Title IV financial aid is not affected by question 23.

"2" means your drug conviction(s) affect(s) eligibility for Federal Title IV financial aid for all or part of the 2017-2018 school year. To receive Federal Title IV aid, you must report your "eligibility date" from question 11 on this worksheet to Enrollment Services Office. You may become eligible earlier in the school year if you complete an acceptable drug rehabilitation program or pass two unannounced drug tests administered by an acceptable drug rehabilitation program. Even if you are not eligible for Federal Title IV aid, you may still be eligible for aid from College of Marin.

"3" means you are not eligible for Federal Title IV financial aid for the 2017-2018 academic year unless you complete an acceptable drug rehabilitation program or pass two unannounced drug tests administered by an acceptable drug rehabilitation program. Even if you are not eligible for Federal Title IV aid, you may still be eligible for aid from College of Marin or State of California
