- Home School Program (A copy of the home school affidavit must be submitted each semester.)  
 As a student presently enrolled in below the 9th grade, I hereby petition to attend the class listed below as a special College Credit Program student.

I understand that even though I have obtained the required instructor signature, approval is determined by the Dean of Enrollment Services and availability of space in class after other categories of students have registered, in accordance with the registration priority system established by the Marin Community College District Board of Trustees. Please note: Concurrently enrolled students are restricted from physical education and remedial classes (classes numbered below 100).
