- My awards cannot exceed my cost of attendance (budget). If additional grants, awards or scholarships are added after a loan has been approved, my loan amounts will be reduced to accommodate the new awards (for example: EOPS grants, scholarship, Federal Work Study, etc.).
- If I do not pass at least six units toward my goal each semester with a 2.0 GPA, and/or if I change my goal, I will lose loan eligibility for the following semester and my remaining loan disbursements will be cancelled.
- I must begin repaying the loan six months after I graduate, withdraw, or drop below half-time status.
- I must pay the interest on Unsubsidized Loans while I am in college, or I may have it added to the principal (this increases the amount I must repay later). Interest on Subsidized Loans is paid by taxpayers while I am enrolled half time in college and until I enter repayment.
- I have read the terms and conditions of my signed MPN and understand all my obligations as loan borrower.
