2023-2024 (V4) Custom Verification Worksheet

Your application was selected for review in a process called "Verification." In this process, the financial aid office will compare information from your FAFSA with your 2021 IRS tax information. The law gives the college the right to ask you for this information before awarding federal aid. If there is a difference between your FAFSA and information on any of your verification documents, the college will make the correction electronically.

Complete this verification form and submit to the Enrollment Services Office as soon as possible. The Enrollment Services Office cannot process your application without this information.
