

Deadline: Fall/Spring: Friday, May 15, 2026

Summer: Thursday, June 4, 2026

Your FAFSA has been selected for review in a process called “**Verification**.” In this process, College of Marin will compare information from your FAFSA with this worksheet and financial data you must submit. The law requires completion of Verification before awarding and/or disbursing federal aid. If there are differences between your FAFSA and your verification documentation, electronic corrections to your FAFSA may be required.

The student must appear in person at the Enrollment Services Office to verify their identity by presenting an unexpired valid government-issued photo ID, such as but not limited to, a driver’s license, other state-issued ID, or passport. The institution will maintain a copy of the student’s photo ID that is annotated by the institution with the date it was received and reviewed, and the name of the official at the institution authorized to receive and review the student’s ID.

If the student is **unable to appear in person**, the **original signed and notarized** statement of Educational Purpose along with a copy of the unexpired valid government-issued photo ID that is acknowledged in the **notary statement** below. **The completed worksheet must be mailed to the address noted at the bottom of this form.**
