## Direct Loan Disclosure & Terms

The Enrollment Services Office will determine your academic program year (i.e. year 1-Freshman or year 2-Sophomore) for maximum loan eligibility. Subsidized eligibility for new borrowers is limited to 150% of your goal/program length.

Understand that College of Marin has the responsibility to:

1. Evaluate all loan requests on a case-by-case basis
2. Reduce or deny loan requests for students that, in our professional judgement, are at serious risk for loan default
3. Consider high levels of indebtedness (including loans from other colleges), coupled with little progress in an academic program, is a common indicator of high risk for default

Your loan request may be denied or reduced if you:

- Have an undeclared major or undecided educational goal
- Are not enrolled in a Title IV eligible program of study
- Are not enrolled in, or do not complete at least **six** units per semester in your program
- Are not making steady progress in an eligible program or are not currently meeting financial aid satisfactory academic progress standards
- Appear to be or have been in default or delinquent on financial obligations
- Have changed your program of study more than once

Obligations and Responsibilities of Student Borrowers:

- Federal Loans are not grants. I understand that I must repay this debt
- I understand that the interest rate will change each year and be set on July 1, based upon the 10-year treasury note plus 2.05%, not to exceed 8.25%
- I understand that a 1.068% origination fee will be deducted from each loan
- Interest on **Subsidized** Loans is paid by the taxpayers while I am in college until I enter repayment
- I must be enrolled in and complete at least six units toward my goal each semester with a 2.0 GPA
- I must pay the interest on **Unsubsidized** Loans while I am in college, or I may have it added to the principal (this increases the amount I must repay later).
- I must begin repaying the loan six months after I graduate, withdraw, or drop below half-time status
- If I **do not pass** at least six units toward my goal each semester with a 2.0 GPA, and/or if I change my goal, I will **lose loan eligibility for the following semester and my remaining loan disbursements will be cancelled.**
- I do not have a criminal conviction that will prevent me from obtaining gainful employment in my program of study
- My awards cannot exceed my cost of attendance (budget). If additional grants, awards or scholarships are added after a loan has been approved, my loan amounts will be reduced to accommodate the new awards (for example: EOPS grants, scholarship, Federal Work Study, etc.).

I have read and understand all of the above statements. **Please sign below. Your request WILL NOT be processed without your signature.**
