Title 5 Sections 55042, 55044 and 55046
AP 4240

Academic renewal provides students with an opportunity to reverse the negative impact of past academic failures at College of Marin without course repetition:

- Academic renewal may only be requested once at College of Marin.
- Academic renewal is not automatic.
- Academic renewal actions are irreversible.

All course work granted academic renewal status shall not be computed in the student's grade point average or non-progress grade percentage and this shall be noted on the student's permanent record.

Academic Renewal does not guarantee that other institutions outside the District will approve such action. This determination will be made by the respective transfer institution.

Students who have been awarded an Associate Degree may only apply for academic renewal under the following conditions: Students with grades of "F", "FW", "NP" and "NC" and coursework completed after the Associate Degree is awarded may be considered for academic renewal.

Students who have been awarded a Certificate of Achievement may apply for academic renewal providing the courses requested for academic renewal were not applied towards the Certificate of Achievement.

Students may request academic renewal for substandard academic performance under the following conditions:

1. At least two semesters (excluding summer session) must have elapsed since the last substandard grades were recorded.
2. The student has subsequently completed:
 - a) 24 units at a satisfactory level (minimum 2.00 grade point average/GPA) with no more than 6 units of physical activity courses used to demonstrate improved academic ability or
 - b) 12 letter-graded units (minimum 3.00 grade point average/GPA) with no more than 3 units of physical activity courses used to demonstrate improve academic ability.
3. A maximum of 24 units of substandard course work may be eliminated from consideration in the cumulative grade point average. Substandard grades are any grades lower than a "C," "CR" (Credit) or "P" (Pass).
4. Students' most recent semesters utilized to demonstrate that the substandard work is not a reflection of the student's ability must not include grades below "C", "I", "IP", "FW", "NC," or "NP" grades. (Semesters with excluded grades below "C", "FW", "NC," and "NP" grades do not count toward Academic Renewal.)
5. Work from other colleges with recognized accreditation may be considered. If using course work from another regionally accredited college, official transcripts must be attached. Transcripts must be evaluated according to the terms outlined in this procedure.
6. Academic renewal does not allow a student to repeat courses they have already repeated the maximum number of times.
7. All students are urged to consult a counselor with questions regarding academic renewal procedures before submitting the Request for Academic Renewal to the Office of Enrollment Services.

Annotating the permanent academic record shall be done in a manner that all work remains legible, ensuring a true and complete academic history.
